

What is your Healthcare Story?

Now that there is a new national law—the Affordable Care Act—Missouri policy makers have a lot of decisions to make about how to make health care available and affordable for Missourians..

Help us understand and represent YOUR health care needs. Please **complete the questions below**, and let us know if we can contact you to learn more about your health care experience and your family's needs.

1. How many people are in your household/family? _____
2. Do all members of your household have health insurance? Yes or No
3. Has anyone in your family, extended family or workplace lost their health insurance as a result of losing their job recently? Yes or No
4. Has anyone in your family, extended family or workplace lost their health insurance for a reason other than losing their job? Yes or No
5. Has anyone in your family, extended family or workplace had large medical bills from premiums, deductibles or copayments recently? Yes or No
6. Do you feel you understand what's in the new health care law, the Affordable Care Act?
 No, not at all A little I understand a lot.
7. What are the parts of the new law that you support?

8. What are the parts of the new law that you have concerns about?
